

LIVERPOOL IN LONDON.

TWO GREAT CITIES – ONE GREAT OFFER

LIVERPOOL IN **LONDON** provides companies with a unique presence in the global business hub.

From our base in the heart of the capital, Liverpool based business people can extend their business reach, attract investors, identify new talent and recruit partners in a cost-effective way.

Although Liverpool has fast and frequent transport links to London, we understand that sometimes our companies need a friendly base in the world's leading financial centre.

With our stunning offices located adjacent to The City and the tech hotspot of Old Street, you can tap into new opportunities while enjoying all the business advantages of having your main presence and staff in Liverpool.

A growing number of Liverpool-based companies are seeing the benefits of 'Liverpool in London' membership where over £30m has been generated in new sales for Liverpool in London members and investment for Liverpool City Region.
